Letter of Interest

Date:

Do you have a job application already on file? Yes No

We will keep your application on file for a year. We do not canvas your application when we have vacancies. You must submit this form for <u>each</u> position you are interested in applying for. It is not necessary to complete an application for each interested position. If you do not have an application on file, you must complete one and submit it with this form. You may attach a resume as well.

Name:	Office use only
