October 2026
Newsletter

Welcome to October!

We are so proud of our students! It's only October and they already are expanding their vocabulary, sharing story details, and learning to spell their names. In math, they are practicing counting in order, recognizing small groups of items at a glance, matching written numbers to objects, and trying simple grouping.

This month we are celebrating Hispanic Heritage Month. Classes will engage in activities celebrating Hispanic Heritages Across the World. We are also participating in Fire Prevention Month. The Fire Department will be visiting our students and sharing the role they play in keeping us safe.

As we welcome the fall season, classrooms will begin to engage in many festive activities. Please share with your child's teacher any limitations they may have in participating so that we can adequately plan alternative activities.

Please take note of a few important updates and reminders for the coming weeks:

- **Label All Outerwear:** As the weather cools down, students are dressing in sweaters, hats, and scarves. These items often get taken off during the day and can easily be misplaced. Please write your child's name clearly on all tags and garments so we can quickly return any lost items.
- **Upcoming Parent-Teacher Conferences:** Our first parent-teacher conferences will take place during the month of November. Please keep an eye out for official dates and scheduling details so we can connect on your child's progress.

As always, thank you for your continued partnership and support!

Ms. Pena

Pre K Principal

What We're Learning This Month

This month, students will explore the theme **Me and You** by learning about themselves, their feelings, their families, and their friends.

How You Can Help at Home By:

- Starting simple conversations with your child about their day and things they enjoy (nor not) in school
- Talk about their feelings and how they express different feelings throughout the day. Name those feelings, such as "I'm feeling sad" or "I am very happy"
- Talk about favorite family activities
- Discuss how they show kindness to their friends at school (discuss sharing and taking turns)

- Any change in address or phone numbers, please contact office immediately
- If your child will be a pick up on any day, please call the office by 2:45pm
- No School 10/12
- **10/13 Drop-off and Pick-up Process Change:** To streamline our arrivals and dismissals and keep everyone safe, all families who drop off or pick up students will be asked to remain in their vehicles. Our team will escort students directly to and from your cars, and security will be on hand to guide traffic.
- Half Day 10/22
