

NEWBURGH ENLARGED CITY SCHOOL DISTRICT

2025-2026 DISTRICT CALENDAR & PARENT HANDBOOK

WELCOME BACK

DR. JACKIELYN MANNING-CAMPBELL, SUPERINTENDENT OF SCHOOLS

LETTER FROM THE SUPERINTENDENT

Dear NECSD students, families, staff, & community members,

As we prepare for the start of the school year, I want to take a moment to welcome everyone back. This is a critical time for our district, and I believe that through dedicated effort and shared purpose, we can achieve our goals - together.

Our success hinges on **collaboration**. It is essential that we work together—as educators, parents, students, and community members—to ensure that every student has the resources and support they need to succeed. Our schools are a reflection of our community's commitment to education, and by uniting our efforts, we can address challenges and build a stronger foundation for our students.

This year, we will redouble our focus on **community involvement**. I urge you to actively engage with our schools, whether through participation in school events, volunteering, or simply staying informed about the work being done. Your perspective and partnership are vital to our collective success.

To our staff, I want to emphasize the importance of **building morale** and fostering a collegial environment. The work ahead is demanding, and a supportive, respectful atmosphere is crucial for us to do our best work. Let us commit to supporting each other and working as a unified team.

Thank you for your partnership and your dedication. I am confident that by working together, we can meet the challenges of the coming year and achieve our shared purpose for **every Goldback, every day**.

Sincerely,

Dr. Jackielyn Manning Campbell
Superintendent of Schools

WHAT DOES BEING A BOARD MEMBER MEAN?

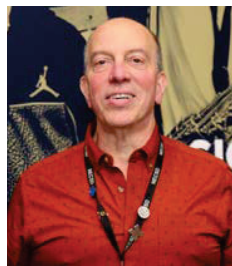

The Board of Education members are a nine person policy-making body which operates within the laws of the State of New York. Each member is elected for a three-year term; terms of office are staggered with elections held every year in May. The Board is responsible for approving the district's budget, adopting all policies and curriculum, and evaluating the superintendent. The authority of the Board is as a whole and no Board member may act as an official of the district except when the board meets in a regular or a special session. The Board of Trustees are elected to represent all of the people of the school district. In making its decisions, the Board is guided by what is in the best interest of the entire district.

OUR SCHOOLS

The district offers families the choice of schools throughout the district. Many of our elementary schools offer specialized programs according to their themes. Some schools provide unique programs and services based on a variety of student characteristics. Our secondary schools are organized into smaller schools-within-a-school, called houses or academies. All of our schools subscribe to the mission, vision, and core values of the district, and share a common curriculum and common assessments in all the content areas.

OUR PROGRAMS

UNIVERSAL PRE-KINDERGARTEN PROGRAM

The full-day Universal Pre-K (UPK) Program provides a comprehensive and developmentally age-appropriate program for eligible NECSD four-year olds. The daily schedule is thoughtfully planned to support early childhood development and is aligned to NYSED Office of Early Learning program expectations and Standards. The UPK program includes purposeful play activities supported by teaching staff who encourage experimentation, exploration, and inquiry. A typical day in any of our UPK includes a balance between individual and small group activities, active and quiet activities, and self initiated activities in interest areas. The Universal Pre-K Program contributes to the continuing growth of young children's knowledge and an understanding of themselves and the world in which they live. Learning experiences provide opportunities for children to develop language, literacy, thinking skills, physical abilities, mathematics understanding, and social and emotional learning skills. The Universal Pre-K Program is available at the following elementary schools: Balmville, Gardnertown Leadership Academy, Gidney Avenue Memorial School (GAMS), Horizons-on-the Hudson or at our community partners listed below. For more information visit www.newburghschools.org/prek

EXCEPTIONAL LEARNERS

The NECSD is dedicated to improving educational outcomes for students with disabilities and their families. Students with disabilities are identified through a referral and evaluation process as defined through the New York State Part 200 Regulations.

Once identified, students are eligible to receive instruction, supports, and services designed to provide access to the general education curriculum through the development of an Individualized Education Plan (IEP). As required by law, supports and services are determined based upon the assessed needs and provided in the least restrictive environment in order to enable the student to gain educational benefit.

In the event you suspect your child may be struggling academically, please contact the principal of the school your child attends and request a meeting to discuss possible solutions. Each building has a Response to Intervention (RTI) team that can determine necessary academic interventions, monitor progress, and/or refer a student to the Committee on Special Education.

If you have any concerns about a preschool or a school aged child with a disability, please call 845-563-8520.

ENGLISH LANGUAGE LEARNERS

The district offers bilingual education (Transitional & Dual Language) and English as a New Language (ENL) programs. The overall goal of these programs is to provide English Language Learners (ELLs) with the necessary language skills to be successful in all aspects of their academics.

The Transitional Bilingual education program uses the Spanish language to help transition ELLs to proficiency in English while continuing to develop their cognitive and academic skills with Spanish language support. Transitional Bilingual services are available for Spanish-speaking students at Gardnertown, Gidney Avenue, Meadow Hill, South Middle School, and NFA Main Campus.

The Dual Language program aims to build proficiency in both English and Spanish for ELLs and for native English-speaking children. The Dual Language education program uses English and Spanish for literacy and content instruction. The Dual Language program is available at Fostertown School (Two-Way Model) and Vails Gate STEAM Academy (One-Way Model).

The ENL program provides language support to build English language skills and proficiency. All district schools offer ENL services.

FAMILY AND COMMUNITY ENGAGEMENT

The district recognizes that parents are their children's first and most important teachers. The district is dedicated to the continual development and sustenance of positive and impactful home-school partnerships and engagement that increases student achievement and fosters an environment where children and youth thrive. Partnership and engagement also empower parents to become advocates for children.

We encourage parent participation in district-level activities, such as special project teams, employment interviews, and Parent Connect, a safe place for parents to enhance their understanding about what their children are learning in the classroom and programs and services available for families and their children.

Our schools offer parent engagement activities throughout the year. We welcome our families to attend parent-teacher conferences, open houses and orientations, Coffee With the Principal, curriculum workshops, and literacy programs. We also encourage our families to become members of parent-teacher organizations (PTO/PTA/PTG/PTC) and take part in building leadership teams.

Each school has a Parent Engagement Coordinator:

TBD - HOH, NWS -

Bill Morgan - MH, THA SMS, HMS - wmorgan@necsd.net

Antony Roncal - NFA All Campuses - aroncal@necsd.net

Laura Vega - BALM, VAILS - lvega@necsd.net

Leeola Williams - FOST, GLA, GAMS - lewilliams@necsd.net

For more information about how to be engaged at your child's school please reach out to the Parent Coordinator assigned to your child's school or contact Pamela Peterson, Director of Family and Community Engagement - ppeterson@necsd.net.

ATTENDANCE

As you know, the school district has a policy that outlines the expectations for student attendance. A copy of Policy number 5100 Comprehensive Student Attendance is available on the school district's website.

One part of the policy states that, "no individual is authorized to change a student's attendance record beyond five (5) school days after returning to school" (e.g., changing an unexcused absence to an excused absence).

The following are the expectations for written notes explaining an absence. Please provide the required written documentation for the reason your child was absent within five (5) days of their return. Documentation received beyond the five (5) days will no longer be accepted and the student's record will be marked as an unexcused absence(s) for that occurrence. Should you have any questions, please contact your school principal. A student or his/her parent(s)/guardian will have the right to appeal in writing within ten (10) school days of the student's return to the building principal or designee regarding the accuracy of the number of or type of absences for any class. The building principal or designee's decision may be appealed to the Superintendent of Schools or designee within ten (10) school days of the Principal's determination.

For tardies and early departures, the written excuse should be presented to the school on the day of the tardy or early departure with the reason for the tardy or early departure.

All district policies can be found by visiting: NewburghSchools.org > Board of Education > BoardDocs > Policies

You and your student(s) can check their attendance by visiting NewburghSchools.org > Families > Parent Portal (Infinite Campus).

HEALTH SERVICES

SHARON PATSALOS, SCHOOL HEALTH FACILITATOR
SPATSALOS@NECSD.NET

School Health Services plays a key role in identifying health risk factors and fostering resilience to support students in achieving their best possible health and well-being. Our team includes a medical director, health services facilitator, nurse practitioner, school nurse teacher, registered nurse, health aide, and clerk. Together, they collaborate with families, healthcare providers, and school communities to address the physical, emotional, social, and educational needs of students from Pre-K through 12th grade. Each district school is equipped with a well-staffed, well-resourced health office that promotes positive health attitudes and behaviors, with a strong focus on preventive care.

DISPENSING OF MEDICATION

If a student is required to take medication during school hours, the medicine must be provided in its original container and clearly labeled with the date prescribed, the student's name, the name of the medication, dosage, and the time it should be administered. A completed parental permission form and a physician's order are required for all medications.

EMERGENCY INFORMATION

Emergency information cards are distributed during the first week of school and should be completed and returned as soon as possible. The details provided are essential for contacting you in the event of an emergency. Please inform the School Health Office promptly if any of the information changes during the school year.

PHYSICAL EXAMINATION REQUIREMENTS

The New York State Education Department requires a physical examination for all students entering school at any grade level, as well as for those in Pre-K, Kindergarten, and grades 1, 3, 5, 7, 9, and 11. A physical is also mandatory for participation in school sports, obtaining working papers, and for the Committee on Special Ed. (CSE) triennial review. Physical exams are valid for one year from the last day of the month in which they were conducted, unless the student experiences an illness or injury lasting more than five days, which may invalidate the exam. The exam must be completed within 12 months prior to the start of the school year in which it is required, and documentation must be submitted within 30 days of entering school or the specified grade.

SPORTS PHYSICAL EXAMINATION

All students participating in interscholastic athletics are required to have a current physical exam and/or Health Interval Review, along with clearance from the Health Office, which is processed through the Final Forms registration platform. Sports physicals may be provided at school by the nurse practitioner while school is in session, excluding the summer months.

SCHOOL ACCIDENT INSURANCE

The school accident insurance offers partial coverage only. All medical expenses must first be submitted to the family's primary insurance provider before being sent to the school's insurance company. Parents/guardians are responsible for any remaining balance after the school insurance claim has been processed. All insurance forms should be completed promptly and mailed directly to the school insurance company by the parent or guardian.

IMMUNIZATION EXEMPTIONS

On June 13, 2019, the Governor of New York signed legislation removing religious exemptions for immunizations. If you have any questions or concerns, please contact the nurse's office at your child's school. Requests for medical exemptions must be submitted to your child's health office using the New York State-mandated form

WELCOME TO FOOD SERVICES – NOURISHING EVERY GOLDBACK!

At Newburgh Schools, we believe in more than just feeding students—we fuel their success! Our mission is to “Nourish Every Goldback, Every Day.” We serve fresh, healthy meals that help students stay energized and ready to learn. Come check out our cafeterias and meet the awesome teams behind your meals. We’d love your feedback, and we’re excited to serve you!

FREE MEALS FOR EVERYONE – THANKS TO NY!

Big news! Starting in the 2025–2026 school year, ALL students in New York State will get free school meals—both breakfast and lunch. No forms, no hassle. If your school participates in the federal lunch or breakfast program, your meals are covered. This means every student gets a full, nutritious meal without having to pay.

FOOD ALLERGIES & SPECIAL DIETS? WE’VE GOT YOU!

If your child has food allergies or needs special meals, we’re here to help.

- Ask your doctor for a note describing the allergy or dietary need and the appropriate replacement food items
- Share this with the school nurse
- We’ll work with your family, school staff, and even create a 504 Plan or IEP if needed

Questions? Call Food Services at 845-563-3424 or Health Services at 845-563-3497.

NUTRITION & ALLERGY INFO AT YOUR FINGERTIPS

Want to know exactly what’s on the menu or what allergens are in a meal? Use Meal Viewer:

- Visit Meal Viewer
- Create a free account
- Check daily menus, nutrition info, and allergens
- Get alerts for menu changes or special meals

Your health and safety matter to us—every meal, every day.

THE POWER OF BREAKFAST

Did you know? Eating breakfast helps students:

- Score higher on tests
- Focus better in class
- Feel more alert and energized
- Improve memory and brain function
- Stay in a good mood and manage frustration

Even if mornings are busy or breakfast foods aren’t your favorite, school breakfast is a great way to start the day. We serve complete breakfasts with fruit, whole grains, and more! Check our monthly menu for special events.

LUNCH OPTIONS FOR EVERY TASTE

Whether you’re in Pre-K or high school, we’ve got lunch choices you’ll love:

- Pre-K: Lunch delivered right to the classroom
- Grades K-5: Hot meals, salads, lunch kits, sandwiches, and more
- Middle School: A second hot option every day
- High School (NFA): Choose from Favorites, Pizzeria, International, or a Made-to-Order Deli

All lunches include fresh fruits, veggies, lean meats, whole grains, and low-fat milk. Plus, we include locally grown New York foods every day.

Remember: Breakfast and Lunch are free for all students!

EASY ONLINE PAYMENTS FOR SNACKS

Want snacks or drinks? While meals are free, a la carte items like snacks and drinks can be paid for online at MySchoolBucks.com:

- Use your student ID as your PIN
- Add money to your account securely
- Set up low balance alerts
- Track spending and snack history

No more cash or checks needed!

Questions? Call Food Services at 845-563-3424 or Health Services at 845-563-3497.

BUS SAFETY RULES

The safety of our students is our primary concern. To help ensure the safety of all students, other motorists and the general public, please make sure your child is aware of the following regulations:

Any student who does not follow these guidelines may lose the privilege of riding the bus.

Bus Safety Rules for Riding the Bus

1. Students must follow the instructions of their driver.
2. Students must remain in their seats while the bus is in motion, keeping aisles clear at all times.
3. Students must remain quiet and orderly; stop, look and listen with the bus driver at all railroad crossings.
4. Students must be courteous to the bus driver and fellow passengers. No fighting, yelling or throwing objects. Foul language or rude behavior will not be tolerated.
5. Students are not permitted to smoke, eat or drink on the bus and must help to keep the bus neat and clean.

Bus Safety Rules for the Bus Stop

1. Students must leave home early enough to arrive at the bus stop ten minutes before the bus is due.
2. Students must wait for their bus well off the roadway and respect the property of others.
3. Students must enter the bus in a single file and in an orderly manner.
4. When leaving the bus, if students must cross a street they should walk 10 feet in front of the bus. Look both ways and wait for the driver to signal approval to cross. A child must never attempt to return to the bus unless instructed to do so by the driver.

The district is required to follow the "No-Fault Law" for students receiving medical attention as a result of a school bus accident/incident. The "No-Fault Law" provides that if you are injured on a bus or a school bus in New York State, no-fault benefits must be paid by your auto-insurer, or if you have no auto, the auto insurance of a relative with whom you reside. The law further provides that you should only file a no-fault claim with the bus company if there is no such auto-policy in your household.

Our Director of Transportation will be happy to help you with any questions and can be reached at 845-568-6833.

NON-PUBLIC SCHOOL BUS REQUESTS

In accordance with New York State Education Law, transportation request forms for children in non-public schools must be submitted by April 1st for the following school year to be eligible for transportation unless the family moves into the district after April 1st, in which case the request must be made within 30 days of establishing residency. Transportation requests received after April 1st are not guaranteed transportation. If transportation is provided based on a late request it will be to and from a central pick up and drop off location. Students must be 5 years of age by December 1 of the current school year to be eligible for bus transportation.

EMERGENCY "GO HOME" PROCEDURES

When, due to unusual circumstances, the Superintendent of Schools decides that it is necessary to close schools during the school day or before the usual time, the following procedures will be followed:

1. Our radio stations may inform you of school closings.
2. A School Messenger message will be sent. A posting will also be made on the district website and social media.
3. Students who ordinarily walk will be dismissed immediately.
4. All bus students will be transported to their usual bus stops.

Please observe the following safety regulations:

1. Remain calm and stay at home.
2. Please do not call the school or the Board of Education Office.
3. When possible, make every effort to be at the bus stop to meet your child. Students in Pre-K - Grade 2 and all students taking special transportation must be met at the bus stop.
4. If you plan to be away from home at any time, your child should be made aware of another home where he or she can be cared for until your return.

Did You Know?

The district uses the following methods to communicate school closings, delays, and emergency news: District website, Facebook, local radio stations, local television stations, phone calls, and emails. Make sure your information is updated in your Parent Portal account to receive these alerts.

DISMISSAL

Children will only be released to those individuals on the emergency blue card. Students in Pre-K - Grade 2 and all students taking special transportation must be met at the bus stop by a responsible person.

EARLY DISMISSAL SCHEDULE

The following is the Early Dismissal Schedule. Dismissal times are approximate.

TIER 1

10:15AM - NFA All Campuses, Heritage, and South

TIER 2

11:15AM - GAMS, Meadow Hill, Temple Hill, and Vails Gate

TIER 3

12:15PM - Balmville, Fostertown, Gardnertown, Horizons, New Windsor, and Pre-K at GAMS

SCHOOL CLOSING INFORMATION

The days that the district is closed are noted on the district calendar. Any changes will be communicated via the district website, email, and robocall, posted on social media channels, and shared with local media as necessary.

Circumstances arise when schools and/or the entire district will need to close or dismiss early (weather, facilities issues, etc.). The Superintendent of Schools will decide on closing the schools in urgent and/or emergency situations. This decision is reached after careful consideration of the circumstance at hand (weather, facilities issue, etc.), taking multiple factors into account.

Parents and guardians should make sure their contact information is up to date in their Parent Portal (Infinite Campus) account to receive those messages directly. Community members should visit our website and follow our social media sites for important updates.

FAMILY NOTIFICATIONS

All NYS Schools are required to notify parents of certain policies and procedures each year. Previously a Parent Notification Booklet was available online and at each school building. We've combined that booklet with our district calendar to give families better access to this important information.

STUDENT PARTICIPATION IN MANDATED ASSESSMENTS

Parents/Guardians have the right to request information regarding the State and the district's policy on participation in required assessments, and the policy or procedure to opt out of those assessments, if applicable. Information on all required assessments, both state and local, are posted on the district website.

GRADUATION CEREMONIES

The district is required to provide families the district policies on participation on graduation ceremonies for those students who have earned CDOS or SACC. The district's full policies on graduation are available on BoardDocs, or more information can be found in the district's Charting Your Course Booklet.

ASBESTOS NOTICE

The Newburgh Enlarged City School District has conducted the semi-annual surveillances as per the Asbestos Management Plans and the results of the surveillances are included in each plan. In addition, any response actions undertaken by the District in the preceding year are included in the Asbestos Management Plans. The District will notify you of any current or planned asbestos inspections, response actions, and post-response actions.

The Asbestos Management Plans are available for review at the Main Office at each of the District's schools, during regular school hours. They can also be reviewed in the Administrative Offices of Facilities and Operations, at 20 Chestnut Street, Newburgh, N.Y. 12550, from 8:00 am to 4:00 pm during normal school days. Copies of the plans are available at a cost of \$0.25 per page. Please call telephone # 845-568-6800 or your child's school if you would like to make arrangements to purchase a copy or copies or to review any of the plans.

BULLYING AND HARASSMENT

The Board of Education is committed to providing an educational and working environment that promotes respect, dignity and equality. The Board recognizes that discrimination, such as harassment, hazing and bullying, are detrimental to student learning and achievement.

These behaviors interfere with the mission of the district to educate its students and disrupt the operation of the schools. Such behavior affects not only the students who are its targets but also those individuals who participate and witness such acts.

To this end, the Board condemns and strictly prohibits all forms of discrimination, such as harassment, hazing and bullying on school grounds, school buses and at all school-sponsored activities, programs and events.

Discrimination, harassment, hazing or bullying that takes place at locations outside of school grounds which can be reasonably expected to materially and substantially interfere with the requirements of appropriate discipline in the operation of the school or impinge on the rights of other students are prohibited, and may be subject to disciplinary consequences.

Are you, or do you know someone, who is experiencing bullying, discrimination, or harassment?

**Complete a DASA Incident form on the district website at
www.newburghschools.org/dasa**

CHILD ABUSE

The district is required to provide families with the phone number of the Child Abuse Hotline (1-800-342-3720) and a link to the New York State Child and Family Services website: <https://ocfs.ny.gov/main/cps>. The above phone number and website are available in the footer of every district webpage as well.

PESTICIDE APPLICATIONS

Pursuant to the Pesticide Notification Law, the Newburgh Enlarged City School District is informing through this written notice all persons in parental relation to our students that, during the course of the year, it might become necessary for a school to use pesticide products. The District is required to maintain a list of persons in parental relation who wish to receive 48-hour prior written notice of certain pesticide applications.

The following pesticide applications are not subject to prior notification requirements:

- anti-microbial products
- non-volatile rodenticides in tamper-resistant bait stations in areas inaccessible to children
- non-volatile insecticidal baits in tamper-resistant bait stations in areas inaccessible to children
- silica gel and other non-volatile ready-to-use pastes, foams, or gels in areas inaccessible to children
- boric acid and disodium octaborate tetrahydrate
- the application of EPA-designated biopesticides
- the application of EPA-designated exempt materials under 40 CFR §152.25
- the use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets

In addition, there will be no written notice of an application when a school remains unoccupied for a continuous 72 hours period following the application. In the event of an emergency application necessary to protect against an imminent threat to human health, a good-faith effort will be made to supply written notification to those on the 48-hour prior notification list.

If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in your child's school, please complete the Pesticide Notice Form available on the district's website and return it to the school (please include your address, telephone #, e-mail address, and/or fax number).

For further information on these requirements, please feel free to contact Liberty Pest Control, the District's pesticide representative, through the Administrative Offices of Operations and Maintenance at 20 Chestnut Street, Newburgh, N.Y. 12550, or by calling 845-568-6800.

APPR OF TEACHERS AND PRINCIPALS

In accordance with the federal Every Student Succeeds Act (ESSA), parents/guardians of students have the right to request specific information about the professional qualifications of their children's classroom teachers and/or principal, including the composite APPR score.

Right to Request and Review Information Regarding Teacher

In accordance with the federal Every Student Succeeds Act (ESSA), parents/guardians of students have the right to request specific information about the professional qualifications of their children's classroom teachers. As the parent/guardian of a student in the Newburgh Enlarged City School District, you have the right to request the following information about your child's/children's teachers:

- whether the teacher has met New York State qualifications and licensing criteria for the grade levels and subject areas he or she teaches;
- whether the teacher is teaching under emergency or other provisional status through which the State qualifications or licensing criteria have been waived;
- the teacher's college major;
- whether the teacher has any advanced degrees and, if so, the subject of the degrees;
- if your child is provided services by any instructional aides or similar paraprofessionals, the services provided to your child and the aide's or paraprofessional's qualifications.

Requests for information about the qualifications of your child's/children's teacher(s) should be directed to the Main Office of the school of attendance. Thank you for your continued support and interest in your child's/children's education.

ANAPHYLAXIS

The Newburgh Enlarged City School District is legally authorized to employ Nurse Practitioners, School Nurse Teachers and Registered Nurses to provide the nursing service of administering anaphylactic treatment agents. All Nurse Practitioners, School Nurse Teachers and Registered Nurses employed by the Newburgh Enlarged City School District may administer epinephrine via a designated or an undesignated epinephrine auto-injector to an individual using professional judgment if an individual is experiencing a potentially life-threatening allergic reaction (anaphylaxis).

Each Nurse Practitioner, School Nurse Teacher and Registered Nurse will be covered by the non-patient specific standing order only while working in the Newburgh Enlarged City School District employment situation. This standing order will be in effect for one year, from September 1 until August 31. Each nurse will hold a current CPR Certification and will follow the Health Services Policy and Protocol for immunizations.

For an Anaphylactic Reaction to Immunizations, TB test, Allergens, Insect Bite, Exercised Induced or Idiopathic give:

For individuals 33 to 66 pounds, use one EpiPen Jr. (0.15 mL epinephrine injection, USP, 1:2000) auto-injector to deliver 0.15 mg of epinephrine injection.

For individuals approximately 66 pounds and greater, use one EpiPen® (0.3 mL epinephrine injection, USP, 1:1000) auto-injector to deliver 0.3 mg of epinephrine injection.

Call 911 and transport to Emergency Department via Ambulance. If not breathing and/or pulse ceases, begin CPR.

STUDENT PRIVACY AND DATA

Several laws and regulations protect the confidentiality of information about your children when that information identifies them. Such information, which includes student-specific data, is known as "personally identifiable information" or "PII."

The federal laws that protect your child's PII include the Family Educational Rights and Privacy Act (FERPA), the Children's Online Privacy Protection Act (COPPA), the Protection of Pupil Rights Amendment (PPRA), and the Individuals with Disabilities Education Act (IDEA). State laws, such as N.Y. Education Law 2-d and the related regulations of the N.Y. State Commissioner of Education; and the DOE Chancellor's Regulation A-820 also protect the confidentiality of your child's PII.

To view the district's Student Data, Privacy Notification, and FERPA information visit the district website at www.newburghschools.org/tech

MEDIA RELEASE

MEDIA RELEASE INFORMATION

At the Newburgh Enlarged City School District, we believe highlighting our schools, programs, students, faculty, and staff through the use of pictures, videos, audio recordings, and stories is essential toward fostering a great sense of community that promotes our district in a positive way.

The NECSD maintains the right to use student information as noted in the NECSD Student Records policy in accordance to the Family and Education Right to Policy (FERPA) as well as photos, videos, audio, live recordings, marketing materials, and/or quotes from our students on the district's websites, social media networks, and in print materials, including stories the district supplies to the media and circumstances in which the media is on school grounds for approved visits or school related functions off school grounds, unless formally notified by a parent or guardian via this form.

The NECSD is offering this form as a notice to opt-out of such releases for your student(s). **Parents or guardians who would like their children to be featured and do not wish to opt-out do NOT need to take any further action at this time.**

As the parent or guardian, I understand that if I opt-out, my child will be excluded from photos/videos and content posted on the district website, social media accounts, or print materials, including stories supplied by the district to local media. If you choose to opt out, please share this information with your child, so they can avoid being in photos taken in school when possible.

If you do not want your child to be featured in district media, please complete the form that can be found on the district website. This form should be completed each school year if you do not wish for your child to be photographed. A parent/guardian can opt-out or opt back in at any time. The school year is considered to be approximately from September 1st - August 31st. The list of those who opt-out and/or have rescinded a previous opt-out will be available to NECSD staff to reference as needed.

Note: This opt-out policy does not apply to public events, district yearbooks, or videotaping by security cameras in schools, on school grounds, or on school buses.

To view some of these stories, please visit www.newburghschools.org or @NewburghSchools on Facebook, Instagram, or LinkedIn. For more information about the policy, please see BOE Policy 5500 Student Records

WELCOME BACK TO SCHOOL

We're so excited to welcome our community back to school! Literacy is at the forefront of student learning. Our younger scholars are learning to read. As students progress, they begin to read to learn! Everyone plays an important role in supporting literacy initiatives for our scholars. Each school will be hosting a Back to School Night to welcome families and their students back to a new school year and share ways for families to get involved in their child's learning!

CELEBRATING DIVERSITY AND CULTURES

Throughout the year, our schools and district celebrate the rich diversity of our school and community culture. Students learn and celebrate their uniqueness through various forms of reading, writing, and performing with our community. Additional ways students may celebrate their cultures include creating art projects, sharing traditional foods, and participating in multicultural festivals.

SHOWCASING THE LEGACY OF FINE AND PERFORMING ARTS

This year, our Music Department will celebrate its 99th annual Winter Concert, featuring the Hallelujah Chorus that welcomes alumni and community members back to the stage to perform. This tradition of musical artistry highlights our rich legacy of high-quality musical performance that spans the ages, connecting our youngest musicians with our most seasoned alumni.

CELEBRATING DIVERSITY AND CULTURES

Throughout the school year, our high school scholars regularly volunteer in our elementary and middle schools. Our older scholars are able to hone their academic skills while teaching topics to our younger students. Our younger students learn and engage with our student role models, encouraging their commitment to academics.

NFA AF-JROTC

The Air Force Junior ROTC instructors and cadets of Newburgh Free Academy earned an overall unit assessment score of "Exceeds Standards," the highest rating attainable. A Headquarters Air Force Junior Reserve Officer Training Corps (AFJROTC) representative visited in March 2024 to provide feedback regarding the performance of our AFJROTC unit and to assess its compliance with Public Law, Department of Defense and Air Force Instructions, and the written agreement which exists between the NECSD and the Air Force. Available to all NFA students, the program started in 1975 and will be celebrating its 50th anniversary in 2025. Each year, students enrolled in the program participate in thousands of volunteer hours each year.

100 DAYS CELEBRATION

For a “100 Days of School” celebration, elementary school students often engage in activities that help them visualize the number 100. They might create collections of 100 small items, like buttons or stickers, or build towers with 100 cups. Many schools encourage students to dress up as if they were 100 years old, complete with gray hair and glasses. Teachers use this day to reinforce mathematical concepts, such as counting by tens to reach 100. It’s a fun milestone that marks a significant portion of the school year and celebrates students’ learning journey.

BRINGING LITERACY TO LIFE

Each year, our middle and high schools perform a spring musical. Honing dance, musical, and performance skills amplifies literacy, bring the words written on a page to life. Reading stage cues, building set design, and developing their characters, bring each performance to life, often earning a standing ovation at the conclusion of each performance.

READING CONNECTIONS

Reading is a foundational skill that opens up new worlds and fosters critical thinking. When older students read to younger students, it not only strengthens the younger students' literacy and vocabulary but also builds a sense of community and provides older students with an opportunity to serve as mentors and role models. Our My Brother's Keepers (MBK) Fellows are some of the many groups of high school students who take time to read and connect with our younger scholars. This year, our MBK program officially achieved certification from the My Brother's Keeper (MBK) Alliance, formally designating our district as a certified MBK Community.

GRADUATION

This June, Newburgh Free Academy will celebrate its 161st Commencement Ceremony on Academy Field. We wish all of our graduates a life of success and hope our newest alumni return to share their accomplishments with our younger scholars. This momentous occasion marks not only the end of one chapter but the exciting beginning of another, as these students step forward to shape their futures and make their mark on the world. The entire community celebrates their hard work and perseverance, and we eagerly await the incredible things they will achieve.

LEARNING THROUGH THE SUMMER

Students continue to learn and explore their talents throughout the summer months. Some high school students are stepping onto college campuses for the first time to earn college credits and experience college life at Marist University and SUNY Orange. Others work to maintain their learning, so they remain on pace for the next school year or can graduate with their class. Students also learn through enrichment by learning to swim with basic life-saving skills, and several other classes to explore and develop their skills as they learn and grow.

NOTICE OF NON-DISCRIMINATION

The Newburgh Enlarged City School District does not discriminate on the basis of an individual's actual or perceived race, color, religion, creed, ethnicity, national origin, citizenship status, age, marital status, partnership status, disability, predisposing genetic characteristics, sexual orientation, gender (sex), military status, veteran status, domestic violence victim status or political affiliation, and additionally does not discriminate against students on the basis of weight, gender identity, gender expression, and religious practices or any other basis prohibited by New York State and/or federal non-discrimination laws in employment or its programs and activities. The District provides equal access to community and youth organizations. If one has questions or wants to make an inquiry regarding discrimination, including harassment, contact: Ms. Genieve Holder, 124 Grand St., Newburgh, NY 12550, telephone 845-563-3460, or email gholder@necsd.net .
