### Junior Advisory Highlight

The juniors took part in Newburgh's annual Archtober event last month. Students learned about the screen printing process to bring their designs to life. After a visit from Mr. Ed Morris, who taught them the history and purpose of Green Patriot posters, scholars designed their own. Their posters seek to send a message about caring for green spaces and the environment using a similar style to historic war-effort posters.

### 21st Century After- School Academy

All scholars are encouraged to sign up for the 21st Century After-School program which begins on November 6th for Social Skills Through Literacy and November 13th for E-Sports and Academic Tutorial program.
