

NEWBURGH FREE ACADEMY WEST CAMPUS NEWS LETTER

JANUARY 2026

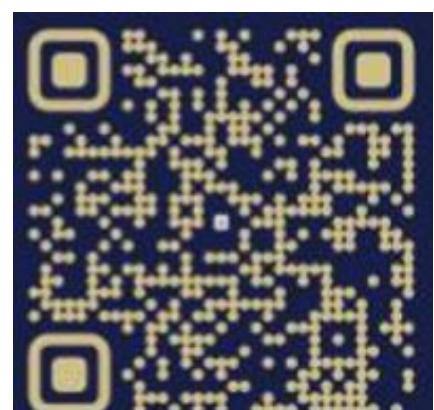

COLLEGE APPLICATION WORKSHOP

In collaboration with junior and senior advisors, our guidance counselor, Mr. Joel, provided a college application and future planning workshop for all juniors and seniors. Scholars were asked to consider all the opportunities they might wish to take after high school, with a particular emphasis on how to strategize a plan for applying to college. Ms. Jill also discusses strategies for how to write the best essay for college applications and all scholars were encouraged to call on faculty and staff for support and guidance. The overall message was to remember your value and ensure that whatever path you choose, you know how to demonstrate that value to potential colleges or employers.

21st Century After- School Academy

All scholars are STILL encouraged to sign up for the 21st Century After-School program. We offer Social Skills Through Literacy, E-Sports and an Academic Tutorial program. It is held every Tuesday and Thursday from 2:20-3:50 pm at the West campus. Scan the QR code to sign up. Bring a friend!
