PRINCIPAL'S UPDATE

As our school year is underway, we want to take a moment to remind families just how important your involvement is in your child's success. Staying connected to what is happening at school—checking grades, keeping up with assignments, asking about their day, and celebrating their accomplishments—can make a tremendous difference. Even small conversations at home about school and learning can help students feel supported, motivated, and confident.

Regular attendance is also a key part of a successful school experience. Every day gives students an opportunity to learn something new, connect with their teachers and classmates, and be part of the school community. We understand that life happens and that there are times when absences are unavoidable. However, whenever possible, we encourage families to make attending school a priority and to reach out to us if there are challenges affecting attendance. We are here to help and want to work together to support your child.

We also encourage families to stay involved in their children's social lives. Friendships, activities, school events, and time spent with peers are an important part of growing up. Knowing who your child is spending time with, where they are going, and what they are involved in can help you stay connected and provide guidance when needed. Most importantly, keep the lines of communication open. Your children may not always share everything, but knowing that they can come to you, talk openly, and ask for help is incredibly valuable.

Our goal is to partner with families and support the whole child. When school and home work together, students are more likely to feel supported, stay on track academically, attend regularly, and make positive choices. Thank you for all that you do each day to encourage, support, and guide your children. We truly appreciate your partnership and look forward to working together to help every student have a successful and rewarding school year.

LOOK WHAT WE HAVE BEEN DOING...

MS. GUIDO'S GUITAR CLASSES RECENTLY PERFORMED THEIR FIRST GROUP ENSEMBLE PIECE. STUDENTS LEARNED EACH PART THEN BROKE INTO GROUPS TO PRACTICE TOGETHER. AFTER PERFORMING, THEY GAVE CONSTRUCTIVE FEEDBACK AND ENCOURAGEMENT TO THEIR PEERS. FOR MOST OF THE STUDENTS, THIS CLASS IS THEIR FIRST EXPERIENCE LEARNING AND PLAYING AN INSTRUMENT.

WHEN THERE WAS A PROBLEM WITH HOLDING THE LAPTOP FOR OUR MAIN LOBBY PROMETHEAN BOARD, MR. SCHWEIZER'S P2 ENGINEERING CLASS STEPPED IN TO SOLVE THE PROBLEM. ATTACHED ARE SOME PHOTOS OF THE INITIAL DESIGN AND PROTOTYPE.

MR. UNDERHILL'S US HISTORY CLASSES FOUND QUOTES THAT SUPPORTED THE CONSTITUTION AND/OR CRITICIZED THE CONSTITUTION . THIS PROJECT WAS PART OF A CONSTITUTION DAY LESSON.
