

ABOUT NFA WEST

NFA West is a small school that strives to be a place where students are known well, understood, respected and able to have genuine relationships with adults. Each student's educational program involves authentic experiences with real world

Relationships.Relevance.Rigor

GOALS

- To provide modes of learning to fit the individual needs of students
- To help students achieve success, both personally and academically
- To establish clear expectations and high standards for behavior, attendance, and academic performance
- To foster individual responsibility and accountability for learning

standards and consequences, and is designed by the people who know the student best: parents, teachers, mentors, and the student him or herself. Students' learning plans grow out of their individual needs, interests, and passions. Our graduates are unique and creative individuals who will be able to rise above adversity in the adult world. *One student at a time*, NFA West provides a personalized learning environment that allows students to gain the skills and knowledge necessary to achieve success beyond high school.

Office: (845) 568-6560

39 West St.
Newburgh, NY 12550

Mission- Inspiring students to become tomorrow's leaders beyond Academy Field

Vision- Through the work of all, we will achieve inclusive excellence

OVERVIEW OF OUR PROGRAMS

1 Learning Through Internships (LTI Program)

NFA West students are required to participate in an internship opportunity one day a week that allows for them to build knowledge, understanding and skills in the context of authentic work. Each student learns through pursuing his or her own interests and passions. Students are partnered with a Business mentor who will guide them through discovering their college and career interests.

2 Advisory

NFA West Advisories are designed to foster stronger adult-student relationships and a stronger sense of belonging and community among students. Teachers meet with small groups of students for the purpose of advising them on academic, social, or future-planning issues. Each advisory group meets every day.

3 Exhibitions

NFA WEST students create a learning plan that allows for them to set goals and reflect on how all of their course subjects relate to their respective career interest. Students will demonstrate all facets of the learning plan through an exhibition that are presented to parents, students, advisors and mentors.
