

TEMPLE HILL ACADEMY NEWS LETTER

OCTOBER 2025

PRINCIPAL'S UPDATE

This month, we have been working with our students on developing good attendance habits. Research shows that students who come to school on time every day are better prepared for learning and are given the best opportunities to be successful. All students gave their best efforts this month; achieving an average of over 92% attendance. Healthy attendance habits are a community effort, and add to a positive school climate and culture. The staff at THA is available to assist your family in the event that circumstances interfere with daily attendance. If you have any needs, questions, or concerns, please do not hesitate to contact the school or your child's teacher.

Dr. Jackie Manning Campbell, Superintendent of Schools, would like to hear from you! Please complete this brief survey, so her upcoming [Community Conversations Series](#) is tailored for our families! We look forward to collaborating with our families as educational partners.

TEXTING BEGINS!

The district will begin sending texting messages this fall. To receive the messages, make sure your cell phone number is correct in the cell phone field. The number can be listed twice if that is your primary number. All parents/guardians who wish to receive a text should make sure their number is listed in the correct spot in their personal Parent Portal Account.

WALL CALENDARS

Wall calendars will be distributed to the youngest and only child of each family soon. You will find it in your child's backpack. Families can always add letter days and school/district events to their Google calendar for the most up to date information.
