**Where:** NECSD website: [www.newburghschools.org](http://www.newburghschools.org)

There will be a password to be entered in order to view the video:  
password: seemesoar

Due to social distancing we are unable to have a traditional 8th grade moving up ceremony. Instead, we will have a special virtual moving up ceremony video where we will celebrate our scholars. We will be showing images of our scholars in the video to celebrate their accomplishments this year. You may access the video during a time that is convenient for your family to view it together. Further information regarding this event will be forthcoming via the district website, South Middle School website and Facebook page, South Middle School PTG Facebook page and on our daily announcement page.

In addition to our Virtual Ceremony, South Middle School staff members are celebrating each scholar with a special message and gift. The gifts are scheduled to be delivered on Friday, June 5th to the home address that we have on file. If your address has changed, please email Mrs. Zazzi at [lzazzi@necsd.net](mailto:lzazzi@necsd.net) by June 3rd.

We would like to take this time to thank you for all of your persistence, support, involvement, and encouragement throughout your child's time at South Middle School. Congratulations on this milestone in your child's journey!
