## PRINCIPAL'S UPDATE

### From the Principal's Office

It is hard to believe that another school year has come to an end so quickly. It is times like these that you take the opportunity to pause and reflect on the year that has gone before and set your thoughts on the possibilities which lay ahead. As I reflect, I can't help but be proud of the wonderful efforts and achievements of our students, staff, PTO and you the community, over the past year.

It is time to sit back, relax and enjoy your summer.

## SUMMER READING

The district is excited to share an important initiative to help sustain student learning and advance our district's ongoing literacy goals. This summer, we will provide high-quality, grade-level reading books to all students currently in grades Kindergarten -11.

Our Pre-K through 4th grade students will each receive a selection of books from a thoughtfully curated collection aligned to their grade level, interests, and reading development. Students in grades 5-11 will each be provided with a book to keep.

We encourage families to make reading a regular part of their summer routine by discussing books together and supporting daily reading habits.

The students will be getting the summer reading books in the upcoming days.

El distrito se complace en compartir una importante iniciativa destinada a ayudar a mantener el aprendizaje de los estudiantes y a promover los objetivos continuos de alfabetización de nuestro distrito. Este verano, proporcionaremos libros de lectura de alta calidad, adecuados para su nivel escolar, a todos los estudiantes que actualmente cursan desde el jardín de infancia hasta el 11.º grado.

Nuestros estudiantes desde Pre-Kínder hasta el 4.º grado recibirán, cada uno, una selección de libros proveniente de una colección cuidadosamente seleccionada y alineada con su nivel escolar, sus intereses y su desarrollo lector. A los estudiantes de los grados 5.º al 11.º se les entregará, a cada uno, un libro para que se lo queden.

Animamos a las familias a hacer de la lectura una parte habitual de su rutina de verano, conversando juntos sobre los libros y fomentando hábitos de lectura diarios.

Los estudiantes recibirán los libros de lectura de verano en los próximos días.
