PRINCIPAL'S UPDATE

From the Principal's Office

The end of the year is just around the corner. It does not seem possible that another school year has come and almost gone. I hope your child has not only enjoyed the year but has grown in many areas.

During the next school year, we will continue to link the school with homes and community as we strive to continually improve student achievement.

Happy National Teacher Appreciation Week

This week, we join the nation in honoring the dedicated teachers of the Newburgh Enlarged City School District. Within our classrooms and across our campuses, these individuals often find themselves wearing many hats—acting as mentors, motivators, innovators, and pillars of support for our scholars.

From sparking curiosity during a lesson to providing a steady hand through a challenge, the roles our teachers take on are as diverse as the students they serve. Their presence can be a powerful force in shaping a positive school culture and helping to uphold our Goldback Standard.

We extended our sincerest gratitude to the teachers we have, the teachers we've had, and the future teachers that we are inspiring!

We encourage our community to send a note to the teacher or teachers who have inspired you along the way!
