The person will be under the direct supervision of the Assistant Superintendent of Curriculum and Instruction. This initiative is grant-funded to the district through a statewide competitive 21st Century Community Learning Centers grant initiative administered by the New York State Education Department. Grant funds must be used to afterschool enrichment and programs, activities and services to enhance the growth and development of students and their families in the identified schools. This includes, but is not limited to: academic support and enrichment, socioemotional support, nutrition, Saturday family learning experiences for students and their families in a manner that will lead to improved educational and other outcomes, such as increase student attendance and decrease student behavioral referrals; develop a program that will increase parent involvement in student learning and school governance.

MINIMUM QUALIFICATIONS: Preference will be given to those candidates who can meet the following requirements as pursuant to the district's collective bargaining agreements with the Newburgh Teachers' Association.

- NYS certified teacher with a NYS SDL or SDA certification preferable, but not required
- Demonstrated ability to develop and oversee budgeting and finances
- Experienced in the analysis and use of data and student work to inform instructional decisions
- Experienced with programs
- Ability to support district and building level staff, community partners, students and their families in development and implementation of strategies that will increase student attendance, decrease behavioral referrals, parent involvement and foster community partnerships to improve student outcomes. Demonstrated knowledge of a variety of assessments tools and strategies
- Ability to work collaboratively and promote a culture of collaboration
- Ability to meet deadlines and complete reports in a timely manner.
