— There were fewer than 40 students enrolled during the test administration period, so the Percent of Enrolled Students with Valid Test Scores data are suppressed OR there were fewer than 30 tested students enrolled on BEDS day and during the test administration period, so the PI, EAMO, and Safe Harbor Target data are suppressed.
 *The percentage of students tested in the current year fell below 95 percent, so the numbers of enrolled and tested students in the current year and previous year were combined to provide the school/district with another opportunity to meet the participation rate criterion.
 † Includes former students with disabilities because the number of students with disabilities in the current year is equal to or greater than 30.
 ‡ Includes former english language learner students because the number of english language learner students in the current year is equal to or greater than 30.
