

Athletic Awards

The Board of Education believes that interscholastic sports are an integral part of the school program. Sports are tools by which school becomes relevant to many pupils either through direct participation or school identification.

The Board wishes to recognize the achievements of pupils who give many hours of their time to represent the school in interscholastic athletics. Therefore, the Board will offer suitable letters, plaques, pins, certificates and the like for individual athletic achievement.

Community groups wishing to donate other awards to individual school athletics or teams shall indicate their desires to the Superintendent who shall forward a recommendation to the Board.
