

Parental Responsibilities

For the benefit of children, the Board of Education believes that parents have a responsibility to encourage their child's career in school by:

1. supporting the schools in requiring that the children observe all school rules and regulations, and accepting their own responsibility for children's willful in-school behavior;
2. sending children to school with proper attention to their health, personal cleanliness, and dress;
3. maintaining an active interest in the student's daily work and making it possible for the student to complete assigned homework through providing a quiet place and suitable conditions for study;
4. reading all communications from the school and signing and returning them promptly when required; and
5. cooperating with the school in attending conferences set up for the exchange of information on the child's progress in school.
