

**Position Title**

Micro Computer Technician

**Required Application Type**

School Related Personnel

**Job Description**

The Newburgh Enlarged City School District has an immediate vacancy for a Micro Computer Technician.

Distinguishing features of the class: This class involves the performance of skilled electronic repair work involving the service, maintenance and installation of microcomputers and some audio/visual equipment. The work is performed under general supervision with wide leeway for independent performance of duties. Supervision of others is not a normal activity assigned to this position.

**Civil Service Title**

Micro Computer Technician

**Job Qualifications**

Thorough knowledge of electronic equipment repair and service; good knowledge of microprocessors, digital electronics, diagnostic equipment for microprocessor and related devices, microcomputers and their peripherals; skill in performing repair and maintenance on electronic equipment; ability to order and maintain supplies; ability to maintain electronic equipment in excellent operating condition; ability to follow oral and written directions; physical condition commensurate with the demands of the position.

Minimum Qualifications: Either:

- A. Completion of a vocational or similarly acceptable course in electronics and four years' experience in the maintenance and repair of electronic equipment including microcomputers; or
- B. Possession of an associate's degree in electronics or related field and two (2) years of experience as described above; or
- C. An equivalent combination of training and experience as described above.

**Application Procedure**

You must first register and complete the application process in RecruitFront. Your application and resume will be reviewed by a group of stakeholders. If you are selected for an interview, you will be notified via email of the date, time and location of the interview.

Thank you again for your interest in the Newburgh Enlarged City School District.
