

June 2017

Dear New Student, Parents and Guardians,

Welcome to Mrs. Shaffer's Fifth Grade Classroom! I am very excited about this upcoming year. We will work hard, celebrate our accomplishments, and face our challenges together. We will be learning and practicing "The 7 Habits of a Leader" by Stephen Covey (author of 7 Habits of Highly Effective People) which I believe will help all of us learn the importance of leadership and perseverance. I am looking very forward to helping your child achieve his/her potential.

I believe very strongly in the teamwork needed between parents and teachers. YOU truly are their first teacher. Please help me get to know the specific needs of your child by completing the "Parent Input Letter". This form will enable me to learn from your experiences regarding your child's interests, strengths, and weaknesses. Please include any recent events that may impact your child's learning or behavior. (Divorce, deaths, injuries, illnesses, etc)

In addition, I have included a "Something about Me" form that I would like your child to complete and bring in on the first day of school. All questions can be answered in the spaces provided or on additional paper if necessary. The purpose of this activity is to help your child identify their successes and challenges while helping me to learn more about them.

To make sure you are ready for September, please read at least three books this summer and practice your basic math facts in multiplication and division.

Thank you in advance for your support and I can't wait to see you all at Open House in September!

Sincerely,

Mrs. Shaffer
