

Team 8C Supply List

Ms. DeGraw, Ms. Bailey-Sloane, Mr. Urena, Ms. Doughty

Thank you for working with us to prepare for a successful 8th grade school year. Below are the materials that you need to have with you in class each day. You will need to have enough of each item to last the entire school year. It may be helpful to purchase extra of some supplies (especially pens, pencils, paper) while they are on sale now.

For every core class you must always have with you: blue or black pens, sharpened #2 pencils, erasers, lined paper, highlighters and tissues for your own use.

Below are the specific required materials for the four core subjects.
