RETURN CALENDAR TO NWS NO LATER THAN: FRIDAY, FEB. 2nd

This month we will explore the history of our beloved New Windsor School! The first half of "The Tower," as we refer to the now-closed portion of our school, was built in 1910. In 1920, the second half of "The Tower" was completed. This original school building had only 8 classrooms! The population grew, and by 1952 some teachers had almost 48 students in a class! 7th and 8th graders had to be moved to South Junior High. The next addition to our school was built in 1956 (with a 3rd to follow years later.)
