

The Quickest Path to a Sustainable Salary

Unlock your career potential with our Continuing and Professional Education program. These courses are designed to help you stay competitive or advance in your career with methods of instruction that work for your individual needs. Invest in your future with SUNY Orange Plus and get on the path toward a brighter, more fulfilling career.

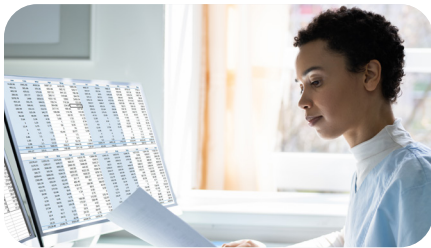

COMMERCIAL DRIVER'S LICENSE (CDL- A AND B)

These courses provide participants with comprehensive training for CDL A and CDL B licenses, covering essential knowledge and hands-on skills. Participants learn vehicle operation, safety regulations, and industry guidelines through classroom and practical sessions. The curriculum emphasizes vehicle control, defensive driving, and compliance with regulations. Successful completion prepares individuals for the New York State CDL examination, offering support for licensing and employment in the commercial driving industry.

Average Salary: \$55,300

Course Length: 4 weeks*

Cost: \$6,500*

CERTIFIED MEDICAL BILLING AND CODING

This program prepares students to work as entry-level medical billing specialists. Students receive training in standard medical procedure coding, insurance, reimbursements, healthcare standards, as well as information storage and retrieval systems. This program prepares students to pass the Medical Billing and Coding certification exam: National Healthcare Association Certified Medical Billing and Coding Specialist (MBC).

Average Salary: \$64,000

Course Length: 10 weeks

Cost: \$3,997

EMERGENCY MEDICAL TECHNICIAN (EMT)

The Emergency Medical Technician program leads to New York State Certification as an EMT-Basic. Students are trained to provide care in life-threatening or potentially life-threatening conditions, and to prevent further harm before a patient is moved or transported. Students complete a rigorous course including didactic and practical instruction as required by New York State. Students who successfully complete the course and pass the final written and practice exam will be eligible to take the New York State Certification Exam on the last day of the program.

Average Salary: \$46,900

Course Length: 12 weeks

Cost: \$7,997

CERTIFIED CLINICAL MEDICAL ASSISTANT

This program trains entry-level Medical Assistants for diverse healthcare settings, emphasizing clinical procedures crucial in today's evolving healthcare landscape. As versatile allied healthcare professionals, Medical Assistants handle tasks ranging from administering medications and assisting in procedures to recording vital signs, patient preparation, and laboratory specimen management. Successful completion qualifies students for the National Healthcareer Association Certified Clinical Medical Assistant (CCMA) certification, a recognized credential in the field.

Average Salary: \$39,800

Course Length: 14 weeks

Cost: \$6,997

* Course Length and Cost are per course.
